Letter from the Chairman and Notice of Annual General Meeting

Notice of the 38th Annual General Meeting of Kingspan Group plc to be held on Friday 20 April 2018 at 10:00 a.m. at The Herbert Park Hotel, Ballsbridge, Dublin 4 is set out in this document.
Letter to the Shareholders
Kingspan Group plc

Dear Shareholder,

I enclose for your attention Notice of the 38th Annual General Meeting of Kingspan Group plc, and invite you to join me on Friday 20 April 2018 at The Herbert Park Hotel, Ballsbridge, Dublin 4 at 10:00 a.m.

The resolutions to be proposed at the forthcoming AGM are set out on pages 5-9 of this Notice, with further explanatory notes set out on pages 11-13.

Kingspan had another record year in 2017, with trading profits of €377.5m, up 11% on prior year. For further details, I would encourage all Shareholders to read the Company’s Business & Strategic Review for 2017 and the financial statements and directors’ report which are contained in the Annual Report, all of which are available on www.kingspan.com. Accordingly the Board is pleased to recommend a final dividend of 26 cent per share which, if approved at the Annual General Meeting, will give a total dividend for the year of 37 cent.

In accordance with Kingspan’s commitment to best practice corporate governance, all of your Board will retire and offer themselves for re-election by the Shareholders. A brief biography of each of the directors is set out in the notes to the resolutions. The performance of the Board is reviewed annually, and each of the directors has made a substantial contribution to the leadership and governance of the Company during the year. Also this year, as part of Kingspan’s shareholder engagement, the Board is once again putting the report of the Remuneration Committee to an advisory vote.

The first five items of special business at the AGM (Resolutions 6 to 10) relate to the share capital of the Company and the renewal of authorities previously given for a further 12 month period. These are matters which are now standard for most public companies.

Your participation at the AGM is important for the Company, and I would encourage every Shareholder to take part in the meeting, either by attending the AGM or (if you are not able to attend) by casting your vote by proxy. Details of how you can vote, either in person or by proxy, are set out in the general notes to this circular. You can also submit a question in advance of the AGM, by sending an e-mail to agm@kingspan.com.

Your Board believes that the resolutions to be proposed at the AGM are in the best interests of the Company and its Shareholders. Accordingly the directors unanimously recommend that Shareholders vote in favour of the resolutions, as they intend to do in respect of their own beneficial holdings of shares in the Company.

Yours sincerely,

Eugene Murtagh
Chairman

Resolution 5: Auditors’ remuneration
The directors are seeking to renew their authority to fix the remuneration of the auditors for the year ending 31 December 2018.

Resolution 6: Allotment of shares
Shares are being asked to renew, until the Annual General Meeting in 2019, the usual annual authority of the directors to allot the unissued share capital of the Company which is equal to 39.33% of the issued ordinary share capital of the Company (excluding treasury shares) as at 23 February 2018 (being the latest practicable date prior to publishing this notice). The Company holds 999,219 ordinary shares in treasury representing 1.07% of the total ordinary shares in issue (excluding treasury shares). The directors will exercise this authority only if they consider this to be in the best interests of shareholders generally at that time. The directors currently have no intention to allot such shares at the present time.

Resolution 7: Disapplication of pre-emption rights in respect of up to 5% of the Company’s issued share capital
In addition, shareholders are being asked to renew, until the Annual General Meeting in 2019, the power of the directors to dis-apply the statutory pre-emption provisions applying to issues of ordinary shares for cash in the event of a rights issue and for any other issue for cash up to an aggregate of 5% of the nominal value of the Company’s issued ordinary share capital. The directors currently have no intention to allot such shares at the present time and will exercise this power only if they consider this to be in the best interests of shareholders generally at that time.

Resolution 8: Disapplication of pre-emption rights in respect of an additional 5% of the Company’s issued share capital
Resolution 8, if passed, would also give the directors the power, in certain limited circumstances, to allot equity securities for cash without first being required to offer such shares to the existing shareholders in accordance with statutory pre-emption provisions.

The disapplication of pre-emption rights in respect of a further 5% of the Company’s issued share capital in addition to the power proposed to be granted pursuant to Resolution 7 reflects the guidance from the UK Pre-Emption Group’s revised Statement of Principles published on 10 March 2015 (the Statement of Principles) and the Guidance issued by the Pre-Emption Group on 5 May 2016. Apart from in connection with rights issues and other pre-emptive offers, the power will be limited to the allotment of equity securities for cash up to an aggregate of 5% of the nominal value of the Company’s issued ordinary share capital provided that the power can only be used in connection with the financing or refinancing of an acquisition or specified capital investment (within the meaning of the Statement of Principles). Any such refinancing must be within six months of the original transaction. The directors will have due regard to the Statement of Principles in relation to any exercise of this power and will exercise this power only if they consider this to be in the best interests of shareholders generally at that time. The directors have no current intention to exercise this power.

Resolution 9: Purchase of own shares
Shareholders are being asked to provide, until the Annual General Meeting in 2019, an authority for the Company, or any of its subsidiaries, to purchase up to 10% of the Company’s own shares. The directors would only exercise this power to purchase the Company’s own shares at price levels which they considered to be in the best interests of shareholders generally, after taking account of the Company’s overall financial position. The directors currently have no intention to exercise the Company’s authority to purchase its own shares at the present time. The minimum price which may be paid for a purchase of the Company’s own shares will be the nominal value of the ordinary shares, and the maximum price which may be paid shall be 105% of the then average market price of the ordinary shares.

Resolution 10: Treasury shares
Shareholders’ approval is also being sought, where the Company’s shares have been repurchased (such shares being known as Treasury Shares), for re-issue of these shares off-market at a maximum price of 120% of the then average market price of the ordinary shares, and a minimum price of 95% of that average. The directors have no current intention to re-issue such shares at the present time.

There were outstanding at 23 February 2018 (being the latest practicable date prior to publishing this notice), options to subscribe for 2,492,179 ordinary shares, representing approximately 1.39% of the Company’s issued share capital at that date. If the repurchase authority were to be exercised in full, the shares subject to these options would represent approximately 1.54% of the Company’s issued share capital.

Resolution 11: General meetings
Shareholders are being asked to renew, until the Annual General Meeting in 2019, the Company’s authority to call a general meeting on 14 days’ notice or a general meeting at a meeting to consider any special resolution (being a resolution requiring a 75% majority vote). The Company confirms that the shares would only use the shorter notice period where it is merited by the purpose of the meeting, and directors consider that it is in the interests of the Company to retain this flexibility.

4(j) John Cronin (58) was appointed to the Board in May 2014. Skills & experience: He is a qualified solicitor, and a partner and former chairman of McCann FitzGerald. He has more than 25 years’ experience in banking, structured finance and capital markets matters. He is a member of the International Bar Association and is Vice President of the International Chamber of Commerce. External appointments: None.
